Reported Issue

Description

Bug 38836879 - Same day enrollment/unenrollment throwing error

Steps to Recreate

1. Enroll a Program through process flow, which involves Work activities.
2. Observe program subscription gets created with start date.
3. Complete the work activities and observe Program subscription's start date gets updated with work activity completion date.
4. Unenroll the same program through unenroll process flow on the same day as enrolment.
5. Error occurs "If populated, End Date/Time must be on or after the Start Date/Time."

Solution Design

Summary

Change Type	Y/N
Does this fix require any Admin (Soft) Table Changes to be made by the client?	N
Does this fix require upgrade data changes to be applied?	N
Does the fix involve DB Changes?	N
