Reported Issue

Description

Date format on **Retrieve Last Completed Bill Information** (***C1RetLstBill***) script does not reflect Display Profile date format.

Steps To Recreate

- Set up a Display Profile with a date format.

Display Profile

- Use the Display Profile created in your user.

User Display Profile

Customer Information Last Billed Info date not reflecting display format

Expected Result: The date format on the Last Billed Info column should reflect based on display profile date format.

Copyright ©2026, Oracle. All rights reserved.

Actual Result: The date format on the Last Billed Info column did not reflect based on display profile date format (MM-dd-yyyy instead of yyyy/MM/dd).

Solution Design

In **Retrieve Last Completed Bill Information** (***C1RetLstBill***) script, retrieve the date display format from **Active Context User** (***getActiveContextUser***) **Display Profile Code** (***getDisplayProfileCode***) then assign it to the **Date Format** (***dateFormat***) variable.

Summary

Change Type	Y/N
Does this fix require any Admin (Soft) Table Changes to be made by the client?	N
Does this fix require upgrade data changes to be applied?	N
Does the fix involve DB Changes?	N
Is there an impact on any user interface or any other on-line behavior?	Y
Is there an impact on any batch process?	N
Is there an impact on CM – Custom Modification processing?	N
Does this fix require an application viewer update for Algorithm data (run F1-AVALG)?	N
Does this fix require an application viewer update for MO data (run F1-AVMO)?	N
Does this fix require an application viewer update for Table data (run F1-AVTBL)?	N

Service Scripts

Retrieve Last Completed Bill Information (C1RetLstBill) (Existing)

Properties

Property	Value
Code	C1RetLstBill
Description	Retrieve Last Completed Bill Information
Application Service	F1-DFLTS
Script Engine Version	3.0

Business Rules

- …
- Retrieve the Active Context User Display Profile Code date format and assign it to **Display Profile Date Format** (***displayProfileDateFormat***) variable.
- If **Display Profile Date Format** (***displayProfileDateFormat***) is not null, assign the value to **Date Format** (***dateFormat***) variable
- ...

Recommended Test Cases

Test Case 1: Reported Issue

- Refer to Steps to Recreate.

Expected Result: The date format on the Last Billed Info column should reflect based on display profile date format.

Test Case 2: Change Display Profile Date Format

- Refer to Steps to Recreate.
- Change the current Display Profile date format configuration or change the Display Profile of the User with a different date format.

Expected Result: The date format on the Last Billed Info column should reflect based on display profile date format.
